Yell, Song Leaders By-Laws Changed

The Activities Program Committee presented some qualifications, duties and election suggestions for yell leaders and song leaders to the Board of Directors last week, and the Board unanimously voted to accept the changes.

This was the initial vote and it will need another vote at the next meeting in order to put these changes, which will be under Article XII of the By-Laws, into effect.

The following is the suggested change:

Section 1. **Head Yell Leader** (Pep Rally Chairman).

a. Qualifications—

1—Any member of the association with a 1.0 grade point average may run for the office.

2—He shall have completed 45 units (one semester of which shall have been completed at this institution prior to election) at the end of the semester in which elected.

3—He shall have performed before a general assembly of the student body on a date set by the Board of Directors after approval of candidacy and prior to the primary elections.

b. Election—

He shall be elected by the student body at the regular Spring Semester election. His selection shall be governed by the rules applying to other student body officers. He shall take office the first day after after the end of the Spring Semester in which he is elected, and hold office until the close of the next Spring Semester.

c. Powers and Duties—

1—He shall be an ex-officio member of the Board of Directors.

2—He shall be chairman of the Pep Rally Committee and shall appoint such officers and sub-committees as deemed necessary for the execution of his duties.

3—He shall be responsible for preparation and execution of pep rallies and other special events upon the request of the Board of Directors.

a.—The Pep Rally chairman shall co-ordinate with the Entertainment Committee of the Activities Committee in the provision of entertainment for pep rallies and special events.

d. Re-election shall be limited to two years in office.

Section 2. **Assistant Yell Leaders.**

a. Selection—

1—The four assistant yell leaders shall be selected by the Yell Leader Nominations Committee composed of the following: President of the ASSFSC, two Representatives-at-Large of the Board of Directors, two members of the Athletic Council (one of which is to be the chairman), the Activities Counselor, the Associate Dean of Students (Activities), the Administrator of Student Affairs, and the newly elected Yell Leader. The committee shall operate under its own rules subject to the approval of the Board of Directors.

2—Selection of assistant yell leaders shall be made not less than one nor more than two weeks after the Spring Semester final election. They shall hold the same term of office as the head yell leader.

b. Duties—

1—They shall be members of the Pep Rally Committee.

2—They shall assist the head yell leader as deemed necessary.

c. Vacancies—

In case of any vacancy, the vacancy shall be filled by appointment by the head yell

(Continued on Page 4)

Official Notice

Credential candidates who are planning to apply for student teaching Fall semester, 1955, who are not currently registered in Education 130.1, or in Education 150 block, please report to Mrs. Hodgson, credentials secretary, Room 219, Education Building and file an application for student teaching. This should be done not later than April 15.

Murphy Chosen For Tournament

Russell Murphy was chosen as the S. F. State representative to compete in the Hearst "Tournament of Orators" Bay Area finals. Selected from among four contestants, Mr. Murphy was the unanimous choice of the judges.

Miss Bushnell, co-ordinator of the S. F. State contest, said of the winner following his selection: "Mr. Murphy emphasized dramatic impact and good use of his voice. I have every expectation that he will represent us very successfuly in the Bay Area college finals."

Model U.N. Budget Passed by Board

The major issue at the weekly Board of Control meeting Thursday was the presentation of the Model United Nations budget by Secretary General Bob Cannon and Finance Director Al Eckstein. They explained to the Board several of the larger expenditures, including $3800 earmarked for the two-day rental of the Opera House.

The budget was approved as presented.

Richard Mason, appointed two weeks ago as a committee of one to handle procurement of the somewhat belated 1953 State Fair princess trophies, impressed the Board so favorably with his results that Chairman LeVell Holmes immediately put him back to work.

This time he is to procure the long-awaited trophy for the Frosh class for winning the Homecoming float contest. Figuring it a two-man project, Mason plans to have a class representative help him make the selection.

'Unconscious' to Be Discussed

"Is There an Unconscious?" will be the topic for discussion at the Social Work Club meeting April 8.

Jerry Schimmel, publicity chairman of the club, stated that the subject is centered around the psychological concept of the unconscious mind.

Faculty members of the Psychology Department at S. F. State will attend the meeting in the Little Theatre to present their views.

Following the meeting there will be a question and answer period.

Chamber Manager Speaks April 20

"What's Ahead for San Francisco" will be the topic of discussion at the luncheon meeting of the Business Club, April 20, in Faculty Dining Rooms A and B.

Lou Fox, general manager of the San Francisco Chamber of Commerce, will be guest speaker at the luncheon which takes place between 12 and 2 p. m.

Reservations for the luncheon may be made through the secretary of the Business Division Office, BSS Building, or Gene Anthony, Business Club Social Committee Chairman.

Mr. Fox's talk will begin at 1 p. m. with a discussion period to follow.

Guild Presents Awards Banquet

Sonny Mitchell, former general manager of the Radio-TV Guild, received the special achievement award at the Guild's Fifth Annual Workshop and Banquet held last week.

Others who received awards at the climax of the banquet, were: Ronald Smith, best announcer; Bob Wall, best engineer; Rene Cardenas, best writer; Maurice K. Silverman Jr., outstanding service, and Al Sturges, promotion of television.

SPECIAL AWARDS

Special awards were made by the Guild to KCBS-Radio, and KGO-TV, for being the stations that have done the most to foster and promote local live programing.

William Switzer, radio and television instructor, advisor and faculty sponsor for the Guild, announced to the group at the banquet that he will not return to San Francisco State next year.

'SUCCESS STORY' SHOWN

During the afternoon session a series of events dealing with radio and television were presented. A kinescope showing of the S. F. State college "Success Story" led the agenda, followed by "The Voice of the Campus," a production by the students of the Radio-TV Guild.

Later in the afternoon were two panel discussions, which included "The Cold, Cruel World," led by former S. F. State students now working in the field, and "Current Trends in Television."

MAIN ADDRESS

The main address of the evening was delivered at the banquet by Dr. Stanley Donner, director of the Radio and Television department at Stanford University. Dr. Donner's topic was the "Power of Television."

He stressed that while entertainment has and always will be a major power of television, its greatest power lies in overcoming semantic difficulties in the area of information.

Election Rules, Petitions Out Here April 11

Petitions and rules governing the 1955 Spring General Election will be available Monday, April 11, in the ASSFSC Business Office, Hut T-1.

Candidates must file signed petitions, an 8-inch by 10-inch picture of themselves, and a signed statement of candidacy no later than 12 noon Friday, April 15.

PETITIONS SIGNED

Petitions for all student body offices must be signed by 50 members of the ASSFSC. Class office petitions must contain signatures of 30 members of the class in which the candidate is running.

Campaigning will begin at 7 a. m. Monday, April 18. Each candidate for the five major offices will be allowed four 14-inch by 22-inch posters.

Candidates for all other offices will be allowed three 14-inch by 22-inch posters. All offices will be allowed two sandwich boards not to exceed 30 inches in width. Unlimited hand bills may be distributed. They cannot be over 100 square inches in size.

All major candidates will be limited within $20 for expenses. In the event of a run-off election, an additional $10 may be spent. The class office expense account may not exceed $15, and $5 may be spent for run-off elections.

EACH ARTICLE VALUED

The Election Committee will set a value on each article of campaign material, regardless of donations, and each candidate shall submit a receipt for everything purchased for their campaign.

The general election will be held April 21 and 22. Voting machines will be located in the Redwood Room foyer, the gym checkroom, and in front of the library.

In the event that a candidate does not receive a majority for his office there will be run-off elections April 28 and 29.

WRITE-IN VOTES INVALID

There will be a new procedure this year. All write-in votes for people not appearing on the official list of candidates will be considered invalid.

There will be an election rally April 19 at 1 p. m. in the gym for the introduction of candidates. At this rally candidates for head yell leader will perform and the candidates for the five major offices will speak.

'MacBeth' Shown

"MacBeth," a two-hour movie starring Maurice Evans, will be shown today at 12 noon in the Main Auditorium.

The movie was donated to Mrs. Ruth Witt-Diamant and will be shown free of charge to students.

Nation-wide Student Photo Contest Opens

"Campus Standouts" is the subject of a nation-wide photography contest for collegiate photographers, and any student on S. F. State campus may enter.

Photographers may submit as many entries as they wish in an attempt to win a share in the $1000 prize money offered for the best photographs and captions describing a typical collegian.

CONTEST RULES

The rules for the contest are as follows: Entries must be made up of one 8x10 glossy print photograph and a suitable caption not to exceed six words. The name and address of the photographer and each of the students in the photo must be included on a single sheet of paper attached to the photo. Both photographer and students in the photograph must be registered at S. F. State college.

All entries must be mailed to Campus Bureau, 299 Madison avenue, New York 17, N. Y., and postmarked not later than midnight May 16, 1955.

CAMPUS TYPE

The subject of the photograph must be an individual student representing a campus type.

The prize money is to be awarded to student photograhers as follows: $100 each for the top five award-winning photographs; second prize of $50 each for the next six best entries and 20 prizes of $10 each to those achieving honorable mention.

Murrow-Oppenheimer Interview to Be Shown

A film of the Edward R. Murrow-Dr. Robert Oppenheimer television interview will be shown Tuesday, April 12, in the Main Auditorium at 12 noon.

The film, sponsored by the 21 Plus Club, was made available by San Francisco's educational TV station KQED.

General admission to the showing will be 25 cents. Members of the 21 Plus Club will be admitted free.

Model U.N. Needs Students for Publicity Posts

Vacancies still exist in the Model United Nations and are available to interested students, according to Gerry Zunino, personnel director of the organization.

There are openings for copy writers, proof readers, radio-TV writers and press relations men in the public relations department. In the department of the executive secretary there is need for typists, stenographers and file clerks. These are but a few of the positions still vacant.

"There are many benefits to be derived from participation in the Model United Nations," said Zunino. "This is an unequalled opportunity to acquire knowledge of the basic functions of the United Nations.

"The conference affords students the means whereby they can obtain experience in other than academic subjects," he continued. "More and more businesses are becoming interested in and requiring knowledge in other than curricular activity."

Anyone interested in filling a vacancy may secure additional information any school day at the Model U. N. office in Hut B-2, from 9 a. m. to 4 p. m., or by contacting Zunino at UNderhill 1-9855.

HERB DOWER'S

Golden Murals

"Flying Mare?" anyone. Intramural wrestling was the feature attraction last week in the San Francisco State gymnasium. The wrestling matches drew many fans, who spent their lunch hours watching the grapplers grunt and groan. (Perhaps it's a new aid to digestion.)

The wrestling events were efficiently managed by Don Madera. When I entered the crowded gym, and searched for a seat in the stands, I heard a loudspeaker blaring out the names of the contestants, and the points, when scored.

CAPABLE REFEREES

The grapplers were clad in yellow or red (I would have preferred yellow) for easy recognition, and the very capable referees were present to be booed. The contestants' reactions were varied. I asked one victor how he felt and he replied, "Grunt." I asked a loser how he found the going, and he replied, "Groan." I guess that the name that is pinned on wrestling is justified.

Now I have a few (thousand) names here of future Nomellini opponents, who came out as champions of their respective weight classes. First, the novice class: the 123-lb. class was won by Jerry Gerans, victor over J. Jaeckle; Gene Fambrina captured the 147-157-lb. class by taking the measure of T. O'Roke; the 158-167-lb. class was won by Milt Kelly, who pinned T. Leonard in 1:06 of the first round.

FREMBLING WINS

Bob Frembling won the 168-177-lb. class by pinning H. Runnels in 1:15 of the first round; Jim Healy snuck into the 178-191-lb. championship when his finalist failed to appear; and Floyd Peters pinned D. Reed in 1:57 of the first round in the heavyweight division.

Winners in the junior class were Rich Fiala, who decisioned D. Brawner 4-2 in a 158-167-lb. match; Rich Kelly who beat D. Crawford in the 168-177-lb. class; Ed Simons, who beat Ron O'Mara 7-4 in the 128-137-lb. class; Ted Danz, who decisioned Kurt Bagnell 3-1 in the 158-167-lb. class; and Mike Cohen, who decisioned Clair Parsh 5-0 in the 168-177-lb. class.

All in all, it was a very well arranged program, and very entertaining to watch.

'PUTTING' YOU STRAIGHT

In case you are wondering if the golf team was unable to find a place to practice, and has to use the lawn in front of the College Union, let me "putt" you straight. That is not the golf team you are watching, it is the intramural golf putting contest. The contest is scheduled to continue today at 11 a. m. and anyone who wants to enter may do so.

Volleyball began last Monday, with a very good turnout. If any of you get a few spare moments, drop out to the gym and see one of these games.

The latest event to get started was the horseshoes tournament which began Monday. This promises to be one of the most popular of the intramural sports.

To end this week's column, I'll let you in on a little secret. The horseshoes used in this tournament came directly from the "Flying Mare," which has no use for them in the wrestling game.

Vallejo's First-Inning Triple Leads Gators to 4-2 Victory

A three-run triple by shortstop Ray Vallejo in the first inning enabled the Gator baseball team to defeat the Alameda Naval Air Station, 4-2, on the home field last Thursday. State's over-all record stood at six wins, five losses, at the conclusion of the game.

Big Don Lucas, Yuba College transfer, whose only action seen as a Gator has been one pinch-hit appearance a few days before, hurled the win.

SHOWS PROMISE

In and out of the hospital all season with a bad knee, Lucas showed all the promise expected of him by Coach Dick Boyle at the beginning of the season.

After a slow start, the sagging Gator pitching staff which earlier was expected to be the strong point of the team, finally seems to be approaching its potential.

BECOMES WILD

Lucas retired the first two men to face him in the first inning, and with two strikes on the third batter, he suddenly became wild and allowed four straight walks, forcing in a run.

Realizing it was his first start, Boyle stayed with Lucas, and he pitched his way out of trouble. He allowed another run in the second, but after that, waltzed in.

THREE-HIT STINT

During his five-inning stint Lucas allowed only three hits. Elmer Clawson finished the game, allowing only one hit in the last two innings of the abbreviated seven-inning affair.

State could manage only five hits off the servings of Flyer pitcher Art Linkletter, but Ray Vallejo, sparkplug of the team since he removed the shackles from his big bat.

State Meets S. J. In Golf Matches

The Golden Gator golfers will have their hands full trying to upset a powerful San Jose State team tomorrow at the San Jose Country Club.

The Spartans defeated California earlier in the season, and Cal recently took the measure of the Gators, 20-7, at Sharp Park. Coach DeGhetaldi had this to say about the Spartans, "San Jose State is second only to Stanford, if they are second to anyone, and on a given day, Stanford can beat any team in the nation."

The Lost and Found is located in building T-1 at the Associated Students' Business Office.

New Writing Talent Sought for TV Plays

By BILL DRURY

Talent Associates, Ltd., a producing firm that "packages" such television shows as "TV Playhouse" and "Mr. Peepers," is initiating the 1955 "Talent Associates Television Playhouse" in an effort to uncover new writing talent for television.

Awards of $1000, $500, and $250 will be given for the best original half-hour television plays (drama, comedy or documentary), written by undergraduates in any accredited American college or university.

It is suggested by the sponsors that entrants consult two books for the proper form in typing the manuscript: "Television Writing and Selling" by Edward Barry Roberts (published 1954) and "Television Selling" by Robert Greene (Harper Bros., published 1952).

Scripts should be postmarked not later than June 15, 1955, and mailed to: Play Awards Editor, Talent Associates, Ltd., 41 East 50th Street, N. Y. 22.

Immediately on receiving the scripts, the play awards editor will send each entrant a standard release form to complete before the envelope containing the play will be opened, thus safeguarding both the entrant and Talent Associates, Ltd. Scripts will be eligible for reading and judging only when this form is returned.

Judging of the plays will be three television playwrights: N. Richard Nash, Robert Alan Arthur, and David Shaw.

Further inquiries and communications should be sent to the above New York address.

Home Economics Club

There will be a business meeting of the Home Economics Club at noon Tuesday, April 12, in Ed. 314.

First Building Erected on New Campus

Museum Is Featured in Natural Science Building

Far beyond the reach of the ever-popular Student Union, near the oustkirts of the campus, stands a structure dedicated to the cause of humanity and science majors—the Science Building.

As the first building erected on the new campus of S. F. State, the Science Building has since been overshadowed by a green and raspberry Business and Social Science Building, a library complete with multicolored mural left over from Dedication, a Creative Arts Building continually bursting with music and song, and various other ultramodern creations.

Aside from science majors, students required to take classes there, and an occasional lost or inquisitive freshman, one seldom dares (or cares) to darken the doorway. Thus, it stands alone, dejected, and unappreciated by the majority.

Contrary to the apparent belief of an unenlightened many, the Science Building ALSO makes its own worthwhile contributions to the interest of the student body at large.

For example, just inside the front door of this lonely erection stands a Science News Board featuring information on the latest scientific developments or unusual scientific facts. This week the board contains such articles as "Into the Icy Barrier Around Antarctica," "National Scientist Asks H-Bomb Moratorium," and various facts on new atomic inventions, as recently

(Author of "Barefoot Boy With Cheek," etc.)

THE STUDENT COUNCIL

Today let us investigate a phenomenon of American college life called the student council. First of all, what is the student council? The answer is simple: the student council is a council of students.

Next, what does the student council do? Again the answer is simple: it meets.

Next, what goes on at the meetings? This question is rather more complicated than the others. Perhaps it can best be answered by reproducing here the minutes of a typical meeting of a typical student council.

Meeting scheduled for 8:30 p.m. at Student Union Building. Call to order 9:51 p.m. by Hunrath Sigafoos, presiding. Motion to adjourn made by Louis Bicuspid, freshman representative. Motion ruled out of order by Hunrath Sigafoos, presiding. Hunrath Sigafoos called "old poop" by Louis Bicuspid, freshman representative. Seconded by Delores Wheatgerm, sophomore representative. Tabled by Hunrath Sigafoos, presiding.

Minutes of last meeting read by Zelda Pope-Toledo, secretary. Motion to accept minutes made by Hunrath Sigafoos, presiding. Motion defeated.

Treasurer's report not read because Rex Mercredi, treasurer, not present at meeting. Rex Mercredi, treasurer, impeached in absentia.

Motion made by Louis Bicuspid, freshman representative, to allow sale of hard liquor in school cafeteria. Seconded by Delores Wheatgerm, sophomore representative. Motion tabled by Hunrath Sigafoos, old poop.

Motion made by Booth Fishery, fraternity representative, to permit parking in library. Motion referred to committee.

Motion made by Gladys Algae, junior representative, to allow attendance in pajamas and robes at first hour classes. Motion referred to committee.

Motion made by Elwood Feldspar, athletics representative, to conduct French Conversation classes in English. Motion referred to committee.

Motion made by Esme Plankton, sorority representative, to allow hypnosis during Rush Week. Motion referred to committee.

Motion made by Pierre Clemenceau, foreign exchange student, to conduct German Conversation classes in French. Motion referred to committee.

Motion made by Harriet Critter, ag campus representative, to allow faculty members above the rank of assistant professor to perform marriages. Motion referred to committee.

Observation made by Martha Involute, senior representative, that in her four years on student council every motion referred to committee was never heard of again. Miss Involute was tabled.

Motion made by Louis Bicuspid, freshman representative, to allow sale of hard liquor in Sociology I and II. Seconded by Delores Wheatgerm, sophomore representative. Motion tabled by Hunrath Sigafoos, presiding crossly.

Refreshments served. Coffee, cake, Philip Morris Cigarettes. The following resolution adopted by acclamation:

"WHEREAS Philip Morris is milder, tastier, more exhilarating, and chock full of rare rich vintage tobaccos; and WHEREAS Philip Morris is contained in the patented Snap-Open pack which is the quickest, simplest, neatest container yet devised for cigarettes; and WHEREAS Philip Morris, the most commendable of smokes in the most admirable of wrappings, is available in both king-size and regular; therefore BE IT RESOLVED that it is the sense of this meeting that Philip Morris is far and away the best cigarette buy on this or any other campus."

Meeting adjourned with many a laugh and cheer at 9:58.

Respectfully submitted,

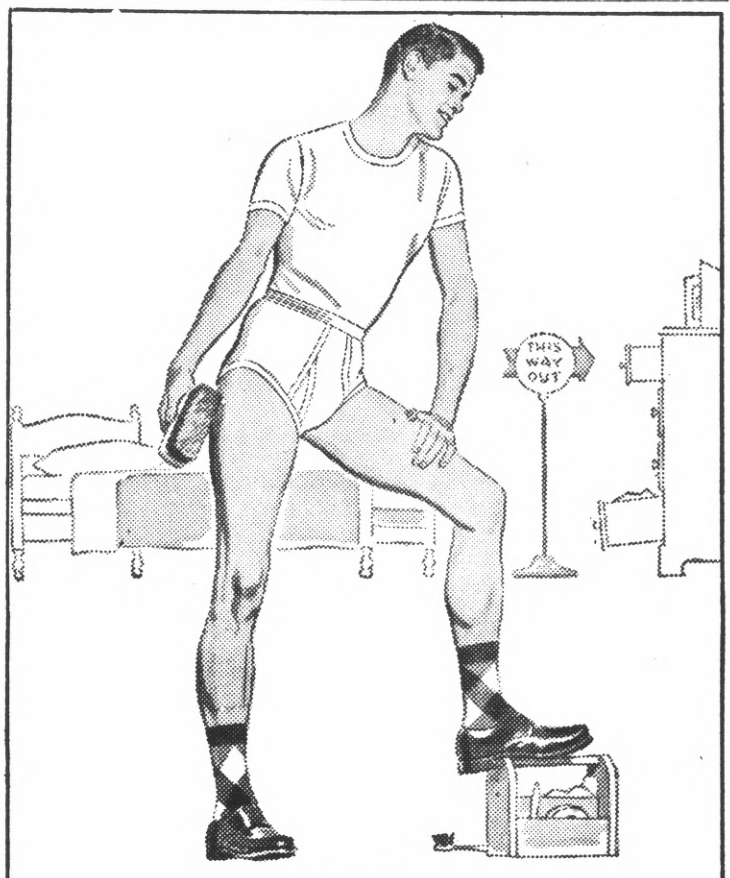

Zelda Pope-Toledo, Secretary

©Max Shulman, 1955

The makers of PHILIP MORRIS, who bring you this column, move that today's PHILIP MORRIS is the best ever. We know you'll second the motion.

Gator Nine Loses Twin Bill to S. J.

San Jose State's red hot baseball team provided the Gators with probably their most tragic afternoon in diamond history last Saturday at San Jose, when they buried the Gators in a twin bill, 17-6 and 18-0.

Usually able to break even at least with the always formidable Spartans, State just couldn't cope with the 32-hit barrage with which San Jose smothered their once highly regarded pitching staff. San Francisco managed only 10 hits during the afternoon.

ONLY SIX HITS

Don Kline and Bob Johnson split pitching chores for San Jose in the initial game, allowing only six hits and four earned runs between them.

Gator starter Don Lucas was reached for nine runs in three innings of work. Elmer Clawson, his reliever, didn't fare much better, giving up five earned runs in the remaining three innings of the seven-inning tilt.

CATCHER BELTS FOUR

Catcher Jerry Clifford and first baseman Tom King of San Jose, each belted out four hits. Two of Cliffords' hits were doubles, while King and right fielder Bill Halsey each drove three runs across.

Only bright hitting spots for the harassed Gators were doubles by Bob Quattrin and Ron Rosenberg. Quattrin's smash chased across three runs.

The second game was a carbon copy of the first one, only worse. Bob Beach, freshman lefty starter for State, allowed 11 runs in the first three innings, and Joel Heckmann was reached for seven hits in his three-inning tour of duty.

Sam Borghesani threw a brilliant four-hit shutout against the embarrassed Staters. Ron Rosenberg led State's attack with two singles.

If one good comment could be made about the affair, it would be that the Gators can't help but improve on last Saturday's humiliation.

Gators Begin Conference Play

Opening their conference schedule this Saturday, the Gator baseball team will meet the Cal Aggies in a doubleheader at Davis.

San Francisco State, by virtue of a non-conference twin win over the Aggies earlier this season, should be regarded as favorites.

However, certain weaknesses in pitching and fielding have caused Coach Dick Boyle to worry about the chances for a repeat performance.

Next Tuesday, the horsehiders play host to the San Francisco Police Department.

State Golfers Lose to Chico

Chico State took over the favorite's role in the Far Western Conference golf competition by easily defeating a field composed of Sacramento State, San Francisco State, and University of Nevada last Tuesday at Haggin Oaks in Sacramento.

Chico defeated Nevada and Sacramento by identical scores of 10½-4½, and beat the Gators, 11-4. Sacramento took second place by beating the Gators, 8½-6½, and Nevada, 10-5. The Gators gained some measure of glory by beating Nevada, 9-6, while the Wolfpack was shut out of the victory column.

Ron Mitchell of Chico fired a 3-over-par 75 to capture medalist honors. Dick Glancy was the Gator medalist with a 78.

In non-league competition, the Gators were defeated by the University of California, 20-7, at Sharp Park last Thursday. Bob Moniz and Dick Glancy each fired a 76 to take medalist honors for the Gators.

Scholarship Events Will Provide Student Grants

At the end of this semester, eight scholarships valued at a minimum of $25 each, will be presented by the Scholarship Events Committee to worthy students from the various divisions of the college.

Last year, seven scholarships were awarded by the committee to outstanding students in the respective divisions.

Yell Leader Job Changed by BOD

(Continued from Page 1)

leader with the approval of the Board of Directors.

Section 3. **Song Leaders.**

a. Selection—

1—Six song leaders shall be selected by the Yell Leader Nominations Committee at the same meeting in which the assistant yell leaders are selected. They shall hold the same term of office as the yell leader.

b. Duties—

1—They shall be members of the Pep Rally Committee.

2—They shall lead songs at any Associated Students function when called upon to do so by the head yell leader or the Board of Directors.

c. Vacancies—

In case of any vacancy, the vacancy shall be filled by appointment by the head yell leader with the approval of the Board of Directors.

Section 4. **Further Suggestions.**

1—The name Pep Rally should be used for those rallies pertaining to athletic events. The name of Rally should be used for any other event.

2—The Board of Athletic Control should define at which athletic events the yell leaders should perform. (Yell leaders should perform at minor sports events.)

Science Building Features Museum

(Continued from Page 3)

published in newspapers and magazines.

The Science Museum, located on the second floor, is another feature of the building. Faculty members, with the possible help of students who may bring in specimens, set up varied exhibits generally related to subject matter studied in Biological Science 40 or Botany 114. The museum is, however, designed for the interest of all students.

Since one of the classes is studying birds this month, the exhibition centers around our "fine feathered friends." Ranging from a two-inch hummingbird to a two-foot seagull, the birds are stuffed by S. F. State students. Also on exhibit are sparrows, ducks, blackbirds, tow heads and finches.

In addition, a collection of stuffed rodents is being shown, including bats, shrews, and rabbits plus a collection of shell gardens and pine cones.

Faculty members who contribute much of their time, planning, and specimens are Dr. Nelson Oberlander and Dr. James Sweeney. Exhibitions of similar types are also set up in the hall near the museum.

Deadline for incoming publicity for either Wednesday or Friday editions is one week prior to the issue in which publicity is to appear.

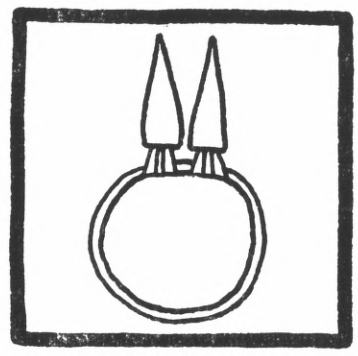

LUCKY DROODLES ! ALL BRAND NEW !

WHAT'S THIS? For solution see paragraph below.

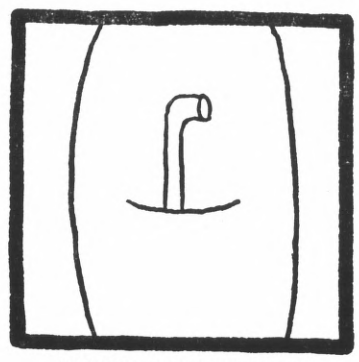

ARE YOU METICULOUS about your choice of cigarettes? Do you want exactly the right taste? Then take a hint from the Droodle above, titled: Ash tray belonging to very tidy Lucky smoker. Luckies taste *neat*—and for excellent reasons. First of all, Lucky Strike means fine tobacco. Then, that tobacco is *toasted* to taste better. "*It's Toasted*" is the famous Lucky Strike process that tones up Luckies' light, good-tasting tobacco to make it taste even better . . . cleaner, fresher, smoother. So enjoy yourself thoroughly whenever it's light-up time. Light up the better-tasting cigarette . . . Lucky Strike.
